+44 (0) 7983652894 | | schneider@alecscreations.com

I am interested in working backstage in circus and making theatre more accessible both on and off stage. I enjoy working at height, doing technical fit ups, making things with my hands, as well as doing a Stage Management role. I am committed to creating a healthy team dynamic and work environment, and have been described as motivated, determined, collaborative and eager to learn.
